

The Shirelles

"Make The Night Just A Little Longer"

Visit "[Make The Night Just A Little Longer](#)" on MotoLyrics.com

Why oh why since my baby left me
You said I shouldn't be in misery?
It's not your heart that's breaking
It's not your heart that's aching
It's mine (it's mine)
It's mine (it's mine)
It's mine (it's mine)
It's mine (it's mine)
Why can't they leave us alone?

Why, my friends, do you insist
I shouldn't miss the mem'ry of his sweet kisses
It's not your heart that's breaking
It's not your heart that's aching
It's mine (it's mine)
It's mine (it's mine)
It's mine (it's mine)
All mine (it's mine)

(x2):
Well, if you were in my shoes, my friend
I think you would be cryin' too, my friend
Who are you to say this love ain't real
& how are you to know the pain that I feel?
Now my friends, you know why
You shouldn't have said nothin' when you saw me cry
It's not your heart that's breaking
It's not your heart that's aching
It's mine (it's mine)
It's mine (it's mine)
It's mine (it's mine)
All mine (it's mine)

& I love him (it's mine) 'cause he's mine (it's mine)
& I need him (it's mine) 'cause he's mine
...& fade
