No escape, this room is a cage  
The bars of perception are bending his will  
Dopesick and lonely, a desperate man  
Voices and images swelling his head

No escape  
In the mouth of madness  
Find your doom  
No escape  
Not for a rat like you  
No mercy for you vermin-kind

Hatred and envy, war and disease,  
These are a few of his favorite dreams  
Scratching and clawing, the mind of a rat  
Praying for failure, he's not coming back

No escape  
In the mouth of madness find your doom  
No escape  
Not for a rat like you  
No mercy for your vermin-kind

[Solo ? Patrick Judge]  
[Solo ? Josh Childers]

No escape  
No mercy for your vermin-kind  
No escape  
You can crawl, but we will have your life

No escape  
In the mouth of madness find your doom  
No escape  
Not for a rat like you  
No mercy for your vermin-kind

No escape  
In the mouth of madness find your doom  
No escape  
Not for a rat like you

No mercy for your vermin-kind
