Please be my boyfriend
I've been waiting for a long long time
All my lonely life to call you mine
Oh little boy, say yes

I tell you (yes yes), why won't you be my boyfriend?
Please give my heart one little chance
& we can have a real romance
Oh little boy, say yes

I'll be faithful & true; please let me prove it to you
I love you madly & I'll feel this way until eternity
Please be my boyfriend
Please be my lovin' loverboy
& you can fill my heart with joy

Oh little boy, say yes

(instrumental)

I'll be faithful & true; please let me prove it to you
I love you madly & I'll feel this way until eternity
Please be my boyfriend
(repeat & fade):
Ooo boyfriend
