You said you're gonna meet me,

Tonight's the night.

You said you're gonna kiss me,

Tonight's the night,

Well I don't know,

Said I don't know right now

I might love you so.

You say you're gonna beg me,

turn the lights down low

You said you're gonna make me

Feel all aglow.

Well I don't know,

Well I don't know right now

I might love you so.

I might love you so much.

You may break my heart.

I may want you so much

And all my dream been torn apart.

You say you're gonna love me,

Tonight's the night.

You say you're gonna hold me,

Tonight's the night.

I don't know.

Said I don't know right now.

I might love you so.

Let's take a chance.

Gonna be a great romance

Movin' right now,

Gonna be a great romance (repeat and fade
