Gone like a bullet  
Iâ€™m burninâ€™ quick and clean  
Ride like an outlaw and die like a king  
Livinâ€™ electric  
It makes a man outta me  
Iâ€™m cominâ€™ loose and Iâ€™m cuttinâ€™ your strings  
The black hearted  
Had better stay clear of me  
Iâ€™ll drop the whole sorry place to it's knees  
I gotta get out  
This town was never for me  
I wanna walk like a man and die free  
Oh itâ€™s cocked and loaded and itâ€™s cominâ€™ for me  
Got me runninâ€™ runninâ€™  
So give me two or three steps mister and Iâ€™ll be  
Long gone

Forget my name  
That ainâ€™t my face  
I ainâ€™t cominâ€™ back and I canâ€™t come down  
To that same old place in that lonely town  
Forget my name  
Just ainâ€™t my day  
I ainâ€™t cominâ€™ back and I canâ€™t back down  
Canâ€™t keep my head in the sand  
With my feet on the ground

One in the chamber  
And two in the clip  
Do what I have to die on my feet  
Iâ€™m clearing leather  
White knuckled grip  
My resolve just as hard as my steel  
Stare down the barrel  
A steady grip at the end  
Clear me a path or youâ€™ll be my next meal  
My name is deadly  
But you can call me the breeze  
Shakinâ€™ dust, donâ€™t want you on my heel

Oh itâ€™s cocked and loaded and itâ€™s cominâ€™ for me  
Got me runninâ€™ runninâ€™

So give me two or three steps mister and Iâ€™ll be  
Long gone

Forget my name  
That ainâ€™t my face  
I ainâ€™t cominâ€™ back and I canâ€™t come down  
To that same old place in that lonely town

Forget my name  
Just ainâ€™t my day  
I ainâ€™t cominâ€™ back and I canâ€™t back down  
Canâ€™t keep my head in the sand  
With my feet on the ground

Forget my name  
That ainâ€™t my face  
I ainâ€™t cominâ€™ back and I canâ€™t come down  
To that same old place in that lonely town

Forget my name  
Just ainâ€™t my day  
I ainâ€™t cominâ€™ back and I canâ€™t back down  
Canâ€™t keep my head in the sand  
With my feet on the ground
