I enjoy the cinema!  
Take me, take me to the cinema!

Santa Claus on the screen  
He is wearing red and green  
I enjoy the cinema!  
Put me in a movie with him!

Rocketship to the North Pole  
It's so frosty up there  
But I brought my warmest clothes.  
Rudolph and his lady-friend  
Making babies in the white snow.

I got pregnant by Santa Claus,  
Santi-Claus  
Watch out!  
A dog peed there!  
A dog peed there!

Gideon is in the tree.  
He's talk-talk-talking to me!  
Mommy's at the grocery store,  
Daddy got shot by a bank robber.

He took us in his car.  
He drove us into the river.  
We're drowning  
Drowning!  
Drowning-drowning-drowning in the river!
