Awake the sleeping giant.
Laid to rest this world.
Be baptized in justice.
Let forth your hand.
A race born to failure.
Delivered Armageddon in the womb.
Snakes 'round all our necks,
We suffocate in truth.

This is a call to the end of time.
Death rattles, come bring us the fate.
We tire of this world.
It's snakes, it's charms, it's whores.
Death rattles, come bring us destruction.

Virus rot creation.
We the waking plague.
Destroyers, usurpers.
Give us this day.
To rape, burn and plunder.
To spit in the face of what we've embraced.
Give us justice, give us hell for we await.

Bring us total annihilation.
Bring us total obliteration.
Bring snakes. Bring plagues.
Bring drought. Bring boils.
Disease and war. Bring floods to our doors.
Bring us total annihilation.
