Gramma' crosses the street.
She wears her favorite jeans.
And carries her groceries.
Look at her and smile.

Bandage on your head.
Sunburn on your head.

Heel got caught
In streetcar track.
She falls down. She falls down. She falls down.

Bone sticks out.
Don't pull it out.
It's not a twig
It's not a twig!

Bandage on your head.
Sunburn on your head.

People are good!
People are bad!
People are inbetween.

Bone sticks out.
Don't pull it out.
It's not a twig
It's not a twig!
She has got a broken femur!
She has got a broken femur!

Crisis when your bone breaks through
Inside on the outside.

Bungalow.
Two story.
Under a bridge.
We live in houses.
Some do not.
I do not.
