She slides  
Alive like a picture come unbound  
And when you dance the world could never let you  
down  
Alive yeah  
You dance and your feet outstrip the ground  
And you come undone  
When you come around

And I don't care  
If you don't mind  
If you don't mind that I don't care  
So we'll just cruise between the lines  
And keep on spitting in the wind

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

She rides  
And smiles as her breath becomes a sound  
And she hold tight  
And we dance as the sky comes crashing down

And I don't care  
If you don't mind  
If you don't mind that I don't care  
So we'll just cruise between the lines  
And keep on spitting in the wind

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

And I don't care  
If you don't mind  
If you don't mind that I don't care  
So we'll just cruise between the lines  
And keep on spitting in the wind

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

I ain't ready to ride  
I ain't ready to fall  
But you don't get it

I ain't ready to ride  
I ain't ready to fall  
But you don't get it
