You need a house  
You need a yard  
You need a wife  
You need a car

You need a 5 year plan and a respectable name  
Because safe and sound is the name of the game  
Time share, mortgage, 401k  
Consume, Consume  
Bankrupt, blank eyed, but thanks for playing

I will cross the crooked path  
I will live what all men dream  
I will break colossus' grip and tear free of the beast  
I will cross the crooked path  
I will live what all men dream  
I will break colossus' grip and tear free of the beast

[Solo Â– Patrick Judge]

You're not a man, you're just a pawn  
You may be free, but not for long  
You may be black, you may be white,  
Under the heel you have no rights

So find a suburb, good school, big TV  
Consume, Consume  
And fill the hole with distractions, be entertained  
Consume, Consume  
(The endless light)

I will cross the crooked path  
I will live what all men dream  
I will break colossus' grip and tear free of the beast  
I will cross the crooked path  
I will live what all men dream  
I will break colossus' grip and tear free of the beast

[Solo Â– Patrick Judge]

I will cross the crooked path  
I will live what all men dream

I will break colossus' grip and tear free of the beast  
I will cross the crooked path  
I will live what all men dream  
I will break colossus' grip and tear free of the beast

Oh, bring it on, boys
