Rock-roll-rock-roll

You take some music, music
Sweet flowin' music
Some movin' and groovin'
Rock and roll will stand

Take some heart beats drum beats
Finger poppin' and stompin' feet
Little dances that look so neat
You see why it will stand

Some folks don't understand it
That's why they don't demand it
They're out tryin' to ruin
Forgive them for they know not what they're doin'

Don't nick-name it
You might as well claim it
It swept this whole wide land
Rock and roll forever will stand

Hear those sax blowin'
Sharp as lightnin'
Hear those drums beatin'
Loud as thunder

Some folks don't understand it
That's why they don't demand it
They're out tryin' to ruin
Forgive them for they know not what they're doin'

Don't you nick-name it
You might as well claim it
It will be here for ever and ever
Ain't gonna fade
Never no never

It swept this whole wide land
Sinking deep in the heart of man
Come on boy join our clan
Come on boy take my hand

Come on boy be a man
'Cause rock and roll will stand

Let's do it all over again
I feel good let's do it again
It'll be here for ever and ever
Ain't gonna fade
Never, no never
