"Without You"

You bring light to my darkness
Do you remember
When you came into my life
It was like summer?

How can I face that without you?
How can I make it without you?
You are my inspiration
You are my destination
Yes, you are my dream

What would I do if you say we are through?
What would I do 'cause my life would be blue?
Without you what would I do?

Since you left me that Sunday
I kept on saying
That you will return one day
And I'll be waiting

How can I face that without you?
How can I make it without you?
You are my inspiration
Yes, you are my destination
Yes, you are my dream

What would I do if you say we are through?
What would I do 'cause my life would be blue?
Without you what would I do?

Without you what would I do?
Without you what would I do?
Without you what would I do?
Without you what would I do?
