That is all.
Suck it up.
Sucking your thumb,
Baby girl.

Lets make a fake transmission.
Let him into your heart.
Lets make a fake tradition.

That is all.
Suck it up.
That is all.
Suck it up.

That man. Has power over you.
Let him into your heart.

Walk down the stairs.
Pick the lock.
Open it up.
It's the CB radio!

Mommy won't approve!
Mommy won't approve!

10-4,10-4
Can you read me?
Are you there?
Your cracking up!
Are you there?

It's not real.
It's not real.
In the middle of the night.
