Get up!
Sit down!
Catch up!
And save the Animals.

I am... Paranoia
I've got... My fake I.D.
I am... Paranoia..
I've lost.. All of my I.D.

Good girl find the egg.
Bad boy breaks the egg.
Down the waterslide
I meet you in the dark.

Someone's following me!
Someone's following me!
When sperm chases the egg
He caught up! catch up!

It breaks me.
It breaks the egg.
Someone's following me.
It chases me.
It breaks me.
