I bought you from the store
Bought you in a bag.
They put you in a bag.
I carried you home
Carried you home.

Zombie Cookie.
Zombie Cookie.

Dip you in my Milk.
I pour a glass of milk.
You slide down my throat.
Into my insides.

Zombie Cookie.
Zombie Cookie.
Slip down my throat.
Deep inside of me.

Zombie Cookie.
Zombie Cookie.
You come out when I am sleeping.

Up into the sky!
Flying through the stars!
Gravity pulls my face back
You take me into your spaceship.
