Won't you answer me
Said the exile
Is there a message for me?
Now I feel so far away

Will you

Walk through the moonlight shadow
Sing to a God of love
Fight someone else's battles
And lie in a shady grove
Shady grove

Won't you answer me
Said the soul singer
There's a murmur in here
Sound thunders on the wall

Will You

Walk through the moonlight shadow
Sing to a God of love
Fight someone else's battles
And lie in a shady grove
Shady grove

Answer me answer me
Speak to me
Oh brother won't you talk to me
Whisper to me
I said oooh

Won't you answer me
Said the coal miner
It's dark down here
And gas creeps through the walls

Will you

Walk through the moonlight shadow
Sing to a God of love
Fight someone else's battles

And lie in a shady grove
Shady grove

Walk through the moonlight shadow
Sing to a God of love
Fight someone else`s battles
And lie in a shady grove
Shady grove

Walk through the moonlight shadow
Sing to a God of love
Fight someone else`s battles
And lie in a shady grove
Shady grove

Walk through the moonlight shadow
Sing to a God of love
Fight someone else`s battles
And lie in a shady grove
Shady grove

Walk through the moonlight shadow
Sing to a God of love
Fight someone else`s battles
And lie in a shady grove
Shady grove
