Walking home in the rain  
Blood runs cold in my veins  
News from a distant shore  
Blues like never before

The moon is new  
The moon is full  
The moon is blue  
The moon is cruel  
Painted moon

Coming to the rescue  
Angels from another world  
Love is here to stay  
So the angels say  
Running to the rescue  
Angels flying up above  
Phantoms in the bay  
While the natives pray  
To the painted moon

I wash my face and get dressed  
Time cuts into my wrist  
So who invents our dreams  
The hands that hold the machine

The moon is new  
The moon is full  
The moon is blue  
The moon is cruel  
Painted moon

Coming to the rescue  
Angels from another world  
Love is here to stay  
So the angels say  
Running to the rescue  
Angels flying up above  
Phantoms in the bay  
While the natives pray  
To the painted moon

Painted moon  
Painted moon  
Ooooh  
Painted moon

Coming to the rescue  
Angels from another world  
Love is here to stay  
So the angels say  
Running to the rescue  
Angels flying up above  
Phantoms in the bay  
While the natives pray  
To the painted moon

Painted moon  
Painted moon  
Painted moon  
Ooooh  
Painted moon  
Painted moon
