Dit dit dit dit dit dit dit dit do  
Dit dit dit dit dit dit dit dit do

Can't you see what I'm tryin; to do  
Could you spare a moment or two

Dit dit dit dit dit dit dit dit do

I touch your head, feel your lips  
I could kiss you with my fingertips

Dit dit dit dit dit dit dit dit do

All I want is your pretty face  
All I need is your pretty face  
All I gotta do is stop... shiver and shake  
I shiver and shake  
I shiver and shake

I close your eyes and looking at you  
All this beauty you're putting me through  
You overwhelm me with just a glance  
To stare at you I haven't a chance

All I want is your pretty face  
But all I need is your pretty face  
So all I gotta do is stop... shiver and shake  
Make me shiver and shake  
I start to shiver and shake

You make me shiver and shake  
I shiver and shake

Can't you see what I'm trying to do  
Could you spare a moment or two

Dit dit dit dit dit dit dit dit do

I touch your head, I feel your lips  
I could kiss you with my fingertips

All I want is your pretty face

All I need is your pretty face  
All I gotta do is stop... shiver and shake  
I shiver and shake  
I start to shiver and shake  
Make me shiver and shake
