Hard luck Tom tell me a story
Tell me the one where she said goodbye...
Hard luck Tom told me everything
He told it to me with a tear in his eyes

And it's so sad
Everything goes wrong
Life is so bad
And it's hard luck Tom (hard luck Tom)
And it's so sad
Everything goes wrong
Life is so bad
And it's hard luck Tom (hard luck Tom)
And he's got a hard... life

Hard luck said, no way to beat it
No matter what he does he's gone too far
Tough luck Tom, don't understand it
Just when he's winning he'll lose it all

And it's so sad
Everything goes wrong
Life is so bad
And it's hard luck Tom (hard luck Tom)
And it's so sad
Everything goes wrong
Life is so bad
And it's hard luck Tom (hard luck Tom)
And he got a hard... life
