Tonight the markets closing down  
There's bluebirds in her eyes  
Everybody is smiling but I feel like I could cry  
If I catch the next train  
I'll be sure to be on time  
The wind picks the pages  
And they flow across the mind  
And I'm in the dark... again

Ooh high society  
Ooh notoriety yeah  
Ooh high society  
This is my society

I'm sorry but I can't come to your party anymore  
My credit is?  
My crown has hit the floor  
I'll give you my collateral  
And we can go dutch  
In which ever case may be we can stay in touch  
Cause I'm in the dark again

Ooh high society  
Ooh notoriety yeah  
Ooh high society  
This is my society

Ooh high society  
Notoriety yeah  
Ooh high society  
This is my society
