Gonna take you out Ms. November
Underneath a crowd so wide

We won't come back until the daylight's in our eyes
I can feel your heart beat baby
I can feel your heart beat fast

Gonna take you out Ms. November (ahhhh)
Gonna take you out to sea (out to sea)

We won't be home until all the heart s are free (ahhhh)
I can feel your heart beat baby (ahhhh)
I can feel your heart beat fast (ahhhh)

La lala la, la lala (ahhhh)
La lala la la la la(ahhhh)
Lala la lala la (ahhhh)

I can feel your heart beat baby (ahhhh)
I can feel your heart beat fast
I can feel your heart beat baby (ahhhh)
I can feel your heart beat fast
