she's got her jobs and she's working nine to five she's
out for lateshow
get your clothes it's getting time to go oh oh oh
soon she wakes up to the sound of foxy music on the
radio
early morning wakeupcall you know oh oh oh

and yes she's a goddess

maybe it's just a matter of days
and I reach for you
in the middle of a song
reach out
and it feels like coming home
reach out

now she's getting on the subway which will take her to
subovium
station after station looks the same oh oh oh
and the day goes by with out to much excitement time
to cloes now
time to dress up for the city night oh oh oh

and yes she's a goddess

maybe it's just a matter of days
and I reach for you
in the middle of a song
reach out
and it feels like coming home
reach out

schhhhh.....

she starts to move and soon she stands into the music
on the dance floor
hundredmillion dollar boys to go oh oh oh
oh and every day goes on and on and on and on and
on now
and every single one does look the same oh oh oh

and yes she's a goddess

maybe it's just a matter of days
and I reach for you
in the middle of a song
reach out
and it feels like coming home
reach out
