Suddenly
Words do crack easily
Say yes make me smile
Pray
Golden day

Yes
Let's be together
For ever and ever
Yes let's be together

Oh it's saturday
It's so hard making you stay
Say yes make me smile
Pray
Golden day

Yes
Let's be together
For ever and ever
Yes let's be together

Say yes make me smile
Pray
Golden day

Yes
Let's stay together
Forever and ever
Yes
Let's stay together
