A late december night, out in the cold
I was walking on the stars of gold.
A frozen winterland, a holy night.
I was walking in the pale moonlight.

Out in the dark I heard a voice, wishing me a merry
christmas.

Don't believe in, I don't believe in angels. but I just seen
one.
Don't believe in, I don't believe in angels. but I just seen
one.

The bells were ringing out, a christmas song.
As I wonderd why am I alone?
A choir is singning now, a child is born.
I was lonley and my heart was torn.

Out in the dark I heard a voice, wishing me a merry
christmas.

Don't believe in, I don't believe in angels. but I just seen
one.
Don't believe in, I don't believe in angels. but I just seen
one.

ohh aahh
ahhh

Out in the dark I heard a voice, wishing me a merry
christmaaas.

Don't believe in, I don't believe in angels. but I just seen
one.
Don't believe in, I don't believe in angels. but I just seen
one.
Don't believe in, I don't believe in angels. but I just seen
one.
Don't believe in, I don't believe in angels. but I just
seen one.
