I've personally never heard of the song, but I found this at another site.

Perhaps it's what you're looking for?

City roof top, summer night  
In your tank top rainbow styling.  
Last night girl, like a dream,  
Never felt so good, sleepy smiling.

All this love saved up for nothing,  
I've never felt so blue  
And all this love, rainbow styling.  
All this love saved up for nothing  
And this will so me no good  
And all this love, rainbow styling.

Everyday that summer, by your side  
And it all just seemed everlasting.  
But then you told me you would move away,  
And you looked so cute there, there u were crying.

All this love saved up for nothing,  
I've never felt so blue  
And all this love, rainbow styling.  
All this love saved up for nothing  
And this will so me no good  
And all this love, rainbow styling.  
(repeat)
