Murphy: Oh, I'm so lonely,
Since my baby left me.
I got no money,
And nothing is free.
Oh, I've been so alone
Since the day I was born.
All I got is this rusty,
This rusty old horn.
Lisa: I got a bratty brother.
He bugs me everyday.
And this morning my own mother,
Gave my last cupcake away.
My Dad acts like he belongs,
He belongs in the zoo.
I'm the sa-a-a-addest kid,
In gra-a-a-de number two
