Well, Mr Burns had done it
The power plant had won it
With Roger Clemens clucking all the while
Mike Scioscia's tragic illness made us smile
While Wade Boggs laid unconscious on the bar-room
tile
We're talkin' softball
From Maine to San Diego
Talkin' softball
Mattingly and Canseco
Ken Griffey's grotesquely swollen jaw
Steve Sax and his run-in with the law
We're talking Homer...
Ozzie and the Straw
We're talkin' softball
From Maine to San Diego
Talkin' softball
Mattingly and Canseco
Ken Griffey's grotesquely swollen jaw
Steve Sax and his run-in with the law
We're talking Homer...
Ozzie and the Straw
