Someone loves you, Joe
Someone cares
Someone loves you, Joe
Someone cares

No more cryin', Joe
No more tears
Someone loves you, Joe

No more heartaches, Joe
No more pain
No more heartaches, Joe
No more pain

Soon the sun will shine
No more rain
Someone loves you, Joe

Soon you'll find her, Joe
Bye and bye
Keep your chin up, Joe
Chin up high

Soon you'll see her, Joe
She'll come by
Soon you'll find her, Joe

You'll be happy, Joe
Wait and see
You'll be happy, Joe
Wait and see

Take my hand and hold
Go with me
I'm that someone, Joe

I'm that someone, Joe
