You keep counting years
But I'm the one who drink from those tears
I am that cold that hurts
A dead end path
Your smile in fear
I am the lonely one

I've lived through your eyes
So much time...
Saw your world crashing yeah
In the night...
All this time
You keep me into black light

Oh oh oh
Mutant angel
I'm the mutant angel
You can feel my wings

And you keep counting years
But I'm the one who drink from those tears
I am that cold that hurts
A dead end path
Your smile in fear
I am the lonely one

I've lived through your eyes
So much time...
Saw your world crashing yeah
In the night...
All this time
You keep me into black light

Oh oh oh
Mutant angel
I'm the mutant angel
You can feel my wings
Oh oh oh
Mutant angel
I'm the mutant angel
You can feel my wings...
You can feel my wings...

You can feel my wings...
