Arrow of love  
Aimed at your heart  
But all my friends say  
It's the wrong heart.

Arrow of love  
You are so cruel  
Because you played me for a fool.

Arrow of love  
I know your evil ways  
The way make cry and cry for days.  
So please be fair  
And I'll let you know  
The reason I love him so.

When we danced  
He looked into my eyes  
Then he asked me if I realized  
That I had melted his frozen heart  
That I had given him a brand new start.

Arrow of love  
Now you know the reason why  
I'm aiming you directly at my guy  
For he will know  
That I love him so  
If it comes by the arrow.

When we danced  
He looked into my eyes  
Then he asked me if I realized  
That I had melted his frozen heart  
That I had given him a brand new start.

Arrow of love  
Now you know the reason why  
I'm aiming you directly at my guy  
For he will know  
That I love him so  
If it comes by the arrow.

(Arrow of love)  
If it comes by the arrow.  
(Arrow of love)  
If it comes by the arrow.  
(Arrow of love)  
If it comes by the arrow.  
(Arrow of love)  
If it comes by the arrow.
