Boys like to think they can have it all,  
well they don't know, they're still so small,  
all that they see, is life as opportunity

Guys like to think they'll get any girl,  
with that just one look, or one quick twirl  
but these acts alone, won't buy him a way into my home

No, whoa

Well they don't know, no, they don't know,  
well all that I'm, dreaming of,  
They don't know, you know that they don't know  
that all that I need is love....

So much of these times I've been physical,  
well all the love, now where did it go?  
Could it be my words, are all together totally absurd?

All of the men I know laugh at me,  
they don't listen, they can't see,  
I'm falling apart, 'cause no one will acknowledge my  
heart...

Bo, ba do bo, ba do bo, be da boo, bo be ba da boo, bo  
be ba da boo,  
be bo bo bo boo, be ba bo bo de ba bo boo...

Bo, ba do bo, ba do bo, be da boo, bo be ba da boo,  
well, be do ba bo be bo bo do boo, ba do ba do ba  
do boo,

No, no, no, whoa-o

Well they don't know, no, they don't know,  
well all that I'm, dreaming of,  
They don't know, you know that they don't know  
that all that I need is love....

So,  
I'll take my thoughts, and just walk away,  
well I've said all that I can say,

but I'm still dreaming of, the day that I will find my love,  
bo be boo,  
the day that I will find my love  
bo be boo,  
the day I will find, my love
