Well, don't you worry baby  
I will always come home  
Don't you worry baby  
I won't leave you alone  
You can try and tell me  
You'd rather be on your own  
Don't you worry baby  
I would never leave you alone

Because I love you too much  
You know I love you too much  
Well I love you too much  
To leave you on your own

Don't you fret on baby  
I'll never walk away  
Don't you fret on child  
I am here to stay  
You can try to tell me  
There ain't no other way  
But don't you worry baby  
Everything will be Ok yeah

Cause I love you too much  
You know I love you too much  
I love you too much  
To let you walk away

(Whistling)

Don't you worry baby  
I will always come home  
Don't you worry baby  
I won't leave you alone  
You can try to tell me  
You'd rather be on your own  
Don't you worry baby  
I'll never leave you alone

I could never leave you  
I would never leave you  
Don't you worry baby
