Mom it's driving me insane
To see you in such an awful pain
You know I'd do anything can
Just o make you smile all over again

Momma what's been going on
You've been way too down
For way too long
I said momma did I go
And do something wrong
Momma what's going on?

Momma you can take your time
Momma that would be just fine
But you know I'd listen up to every word
Come on Momma now don't be absurd

Momma what's been going on
You've been way too down
For way too long
I said momma did I go
And do something wrong
Momma what's going on?

Momma I know you're feeling blue
I see the way he talks to you
His words - they cut like a knife
And Momma I know you're feeling bad
I see the way he makes you sad
I wish that I could change our lives
But I've figured out
You got to start it all over now

Momma what's been going on
You've been way too down
For way too long
I said momma did I go
And do something wrong
Momma what's going on?
Momma what's going on?
Momma what's going on?
