Watch out 'cus we can do it,
We'll make it happen, in our own way
Watch out 'cus we can do it,
We'll keep going till we've reached the end
[x2]

I see a life in all of our eye,
Don't let go of the best times,
Many people come and go,
But we'll keep moving on,
We've almost fucking won
With open minds and open hearts,
That ain't no use sitting around and moping
Heart beats are beating faster!
You better watch out for a disaster!

Watch out 'cus we can do it,
We'll make it happen, in our own way
Watch out 'cus we can do it,
We'll keep going till we've reached the end
[x2]

We'll make it happen, in our own way
Watch out 'cus we can do it,

Watch out 'cus we can do it
We'll keep going and we won't ever stop.
