I bet, I bet, I bet  
I bet you're wondering how I knew  
'Bout your plans to make me blue  
With some other guy you knew before  
We're two of a kind, you know I love you more  
It took me by surprise I must say  
When I found out yesterday

Oh, I heard it through the grapevine  
Not much longer will you be mine  
Oh, I heard it through the grapevine  
I am just about to lose my mind  
Honey, honey yeah  
(Heard it through the grapevine)  
(Not much longer would you be my baby, ooh, ooh,  
ooh)

I know a man ain't supposed to cry  
But these tears I can't hold inside  
Losin' you would mean my life, you see  
'Cause you mean that much to me  
You could have told me yourself  
That you love, love

I heard it through the bass line  
How not much longer will you be mine  
Oh I heard it through the grapevine  
And I'm just about to lose my mind  
Honey, honey yeah  
(Heard it through the grapevine)  
(Not much longer would you be my baby, ooh, ooh,  
ooh, ooh, ooh)

People say believe half of what you see  
Run and hide from what you hear  
But I can't help bein' confused  
If it's true please tell me dear  
Do you plan to let me go  
For this other guy you knew before?

I heard it through the grapevine

Not much longer will you be mine  
Oh, babe I heard it through the grapevine  
Ooh I'm just about to lose my mind  
Honey, honey  
I heard it through the grapevine  
Not much longer will you be my baby  
I heard it through the grapevine  
Not much longer will you be my baby  
Heard it through the grapevine  
Not much longer will you be my baby  
Heard it through the grapevine  
Not much longer will you be my baby  
I heard it through the grapevine  
Not much longer will you be my baby  
I heard it through the grapevine  
Not much longer will you be my baby

I bet you're wondering how I knew  
'Bout your plans to make me blue  
With some other girl you knew before  
We're two of a kind, you know I love you more  
Do you plan to let me go  
For this other guy you knew before?  
Just about to lose my mind  
I'm just about to lose my mind, honey  
I'm just about to lose my mind  
And I'm just about to lose my mind
