People are strange
that's why we're strangers
word's go in,
they don't come out
the forest is big
that's why we need rangers
if you gotta run, babe
you're allowed.

i can't believe
in you i stay destined,
i can't believe
i know you're still here
once you are seen
it all becomes mystic
the lightning of love
in full form appears
on my hands
on my knees
i've berid my burdenty
up the stairs
unlock the door
to the suffocation keep.

(singing)

honey, you're there
honey, you're listening
bodies can bond
and flesh repeats
still there's a square
in the distance
was composed
while i was asleep
on my hands
on my knees
i've berid my burdenty
up the stairs
unlock the door
to the suffocation keep...
keep...
keep...

people are strange,
that's why we're strangers
word's go in,
they don't come out
the forest is big,
that's why we need rangers,
if you gotta run, babe
you're allowed
