There's a chance you will be there
I'd like to know the truth, I'll find it out somehow
The chances aren't too strong
A chance you will be there, please be there alone
Help me speak of love, chances aren't enough
Ones too good to miss, chances aren't too strong
A chance is all there is

There's a chance you will be there
Wondering what to do, how to play my role
I'll leave it up to you
If I disguise my smile, it gives too much away
What if we can't speak, what then shall I say?
Don't you be too long, something has gone wrong
The chances are all gone

There's a chance you will be there
Wondering what to do, how to play my role
I'll leave it up to you
If I disguise my smile, it gives too much away
What if we can't speak, what then shall I say?
Don't you be too long, something has gone wrong
The chances are all gone
