I can see the pain living in your eyes
And I know how hard you try
You deserve to have so much more
I can feel your heart and I sympathize
And I'll never criticize
All you've ever meant to my life

I don't want to let you down
I don't want to lead you on
I don't want to hold you back
From where you might belong

You would never ask me why
My heart is so disguised
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to say but good-bye

You deserve the chance at the kind of love
I'm not sure I'm worthy of

Losing you is painful to me

I don't want to let you down
I don't want to lead you on
I don't want to hold you back
From where you might belong

You would never ask me why
My heart is so disguised
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to say but good-bye

You would never ask me why
My heart is so disguised
I just can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's nothing left to try

Though it's gonna hurt us both
There's no other way than to say good-bye
