I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wonder far from me
I wanna feel you in my arms again

And you come to me
in a summer breeze keeps me warm with your love and
then you softly leave
And it's me when you need to show,
how deep is your love,
is your love, how deep is your love

I really need to know
'cause when living in a world of fools,
Breaking us down,
when they all should let us be
we belong to you and me

I believe in you,
you know my down to my very soul
You're the light in my deepest darkness hour
You're my savior when I fall

And you may not think I care for you.
When you know down inside that I really do
And it's me when you need to show,

how deep is your love, is your love,
how deep is your love

I really need to know
'cause when living in a world of fools,
Breaking us down,
when they all should let us be
we belong to you and me

You're the light, you're the light

And you may not think I care for you.
When you know down inside that I really do
And it's me when you need to show,
how deep is your love, your love,

how deep is your love

I really need to know
'cause when living in a world of fools,
Breaking us down,
when they all should let us be
you belong to you and me
