So i wait,
Cos i said i would and im good like that ya see,
Isnt much funtho i gave you my word but i still havent
heard from you,
All these nights,
On my own,
To long,
I believed in you.

[chorus]
I wana get back in space,
And give me a call,
I'd give it all to see your face,
I wonder, if your thinkin of me,
Am thinkin of you, yeaaa

Could it be,
That its love that you like and your not comin back
again,
I wish i knew,
That i pull myself through and i'd get over you, you
see,
All these nights,
On my own,
Too long,
I believed in you.

[chorus]
I wana get back in space,
And give me a call,
I'd give it all to see your face,
I wonder, if your thinkin of me,
Am thinkin of you, yeaaa
Thats for sure.

Now its time for a change,
I can't live this way anymore,
I can't believe its come to this,
Your bags are packed up by the door,
I cant live my life again,
If i could only find the pieces that i stewed up on the

floor and put them back together.

[Chorus]

I wana get back in space,

Dont bother to call

Cos i dont need you anymore,

I wonder, are you thinkin of me?

Am not thinkin of you, no not anymore.

Thats for sure.
