

Air Supply "The One That You Love"

Visit "[The One That You Love](#)" on MotoLyrics.com

Now the night has gone
Now the night has gone away
Doesn't seem that long
We hardly had two words to say

Hold me in your arms for just another day
I promise this one will go slow, oh
We have the right to know
We have the right to know

Don't say the mornings come
Don't say the mornings come so soon
Must we end this way
When so much here is hard to lose

Love is everywhere, I know it is
Such moments as this are too few, oh
It's all up to you
It's all up to you

Here I am the one that you love
Askin' for another day
Understand the one that you love
Loves you in so many ways

Tell me we can stay
Tell me we can stay, oh please
They are the words to say
The only words I can believe

Hold me in your arms for just another day
I promise this one will go slow, oh
We have the right you know
We have the right you know

Here I am the one that you love
Askin' for another day
Understand the one that you love
Loves you in so many ways

Here I am the one that you love
Askin' for another day

Understand the one that you love
Loves you in so many ways

The night has gone
A part of yesterday
I don't know what to say
I don't know what to say

Here I am, the one that you love
Askin' for another day
Understand the one that you love
Loves you in so many ways

Here I am the one that you love
Askin' for another day
Understand the one that you love
Loves you in so many ways

Here I am the one that you love
Askin' for another day
Understand the one that you love
Loves you in so many ways
