One world, one love
These can never be apart
Whisper in your words
What is in your heart

How can I stop this emotion
Knowing that it's true
Am I too sentimental for you?

Have I gone too far?
If I knew this feeling
Is part of you too, girl

Midnight, candlelight
Knowing you are close to me
So much I have inside
I've got to set it free

With you silence can be spoken
If love has broken through
Am I too sentimental for you?

Have I gone too far?
If I knew that this feeling
Is part of you too, girl

Ooh, sentimental man
Am I saying too much too soon?
'Cause I love you, such a gentle girl
Waiting for you

One love, two touch
We can never be apart
I want you so much
For what is in your heart

How can we stop this emotion
Knowing that it's true
Am I too sentimental for you?

Have I gone too far
If I knew that this feeling

Is part of you too, girl
