Lately all my thoughts have gone to you, you know
that's true

Sometimes I feel just a word away
You'll say, "Oh how I miss you too, I do"

Time is tight I'm lost for words that's not like me
Only your eyes could know the way that I feel
And how much I need you now with me

Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?

I know I'll be the one to lose if I'm so wrong
Don't be afraid to put your heart on the line
I'll take you where I know you belong

Take my thoughts away beyond the things we see
Sometimes it seems just a word away
You'll say, "Oh how I really feel it should be"

Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?

Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?

Young love, so strong
Has never been a part of me
Young love, hold on, we're feeling it now
Is this the way it's meant to be?

Young love, so strong
Young love, hold on
