Into the future
I see the day when everyone cries
But I know, a loser
Too many greys to black out the white.

(Change it!)
Find the strength to bring
(Change it!)
Brace to feel the sting
(Change it!)
Who's the first to fall?
(Change it!)

Into the future
I see the day when everyone dies
But I know, a user
Too many strays to fight for tonight.

(Change it!)
Find the strength to bring
(Change it!)
Brace to feel the sting
(Change it!)
Who's the first to fall?
(Change it!)

This is the time
This is your time
It's not too late

I had a dream

(Change it!)
Find the strength to bring
(Change it!)
Brace to feel the sting
(Change it!)
Who's the first to fall?
(Change it!)

This is the time

This is your time
It's not too late

Why don't you kill us then?

This is the time
This is your time
It's not too late

Why don't you kill us then?
