[Verse 1]

I'm here, to remind you
What you do in the dark comes to light
Just so you know, cus you tried to
Bury me, doesn't mean you will shine
Oh unwise, what you're building
Cus your castle made of sand will wash away
Oh I urge you, just be careful
You might be eatin' every word that you say

[Hook]

If you are what you say, bein' all and be all
You're expecting' me to stumble, and to lay where I fall
Then why do I stand before you, in my glory I stand tall
Cus if I, dare hit the ground you can be sure I'm gonna

[Chorus]

Gonna hit the ground runnin', I'm gonna hit the ground
runnin'
Gonna hit the ground runnin', I'm gonna hit the ground
runnin'
Gonna hit the ground runnin', I'm gonna hit the ground
runnin'
Gonna hit the ground runnin', I'm gonna hit the ground
runnin'

Ohhh

[Verse 2]

I'm still here, to remind you
That your success is not determined by my demise
And just so you know, cus you tried to
Take for you what was rightfully always mine
Oh unwise, what your building
Cus your castle made of sand will wash away with the
rain
I urge you, just be mindful
The toes you step on may be ones your forced to praise

[Hook]

How dare you try to change, what was written in the
stars
Tried to rewrite what was made, by the hands of the
lord
No your not, above him, if you think that you are
Obviously you are mistaken by his grace, if I fall

[Chorus]

Gonna hit the ground runnin', I'm gonna hit the ground
runnin'

Gonna hit the ground runnin', I'm gonna hit the ground
runnin'

Gonna hit the ground runnin', I'm gonna hit the ground
runnin'

Gonna hit the ground runnin', I'm gonna hit the ground
runnin'

[Ending]

Ohhh Wooo Ohhh Woooo Ohhh

Ohhh Wooo Ohhhhhh

I'm still here

Im still here

I'm still here

I'm still here

Mmmmm

I'm still here
