Oooohh Yeah Oh Oh Oh

I never needed you to be strong,
I never needed you for pointing out my wrongs,
I never needed pain,
I never needed strain,
My love for you was strong enough you should have
known,
I never needed you for judgments,
I never needed you to question what I spend,
I never asked for help,
I take care of myself,
I don't know why you think you've got a hold on me

And it's a little late for conversations,
There isn't anything for you to say,
And my eyes hurt, hands shiver,
So look at me, and listen to me..

(Because)

I don't want to stay another minute,
I don't want you to say a single word,
(Hush, hush, hush, hush)
There is no other way, I get the final say,
Because..
I don't want to do this any longer,
I don't want you, there's nothing left to say,
(Hush, hush, hush, hush)
I've already spoken, our love is broken,
Baby, hush, hush.

I never needed your corrections,
On everything, from how I act, to what I say,
I never needed words,
I never needed hurts,
I never needed you to be there every day,
I'm sorry for the way I let go,
Or everything I won't need when you came along,
But I am never beaten, broken, not defeated,
I know that next to you is not where I belong,

And it's a little late for explanations,

There isn't anything that you can do,
And my eyes hurt, hands shiver,
So you will listen when I say..

I don't want to stay another minute,
I don't want you to say a single word,
(Hush, hush, hush, hush)
There is no other way, I get the final say,
Because..
I don't want to do this any longer,
I don't want you, there's nothing left to say,
(Hush, hush, hush, hush)
I've already spoken, our love is broken,
Baby, hush, hush.

No more words, no more lies, no more cryin',
Hmm HmMMM
No more pain, no more hurt, no more tryin',
Ohh Ohh
Yeahhhhh!

(Because)
I don't want to stay another minute,
I don't want you to say a single word,
(Hush, hush, hush, hush)
There is no other way, I get the final say,
Because..
I don't want to do this any longer,
I don't want you, there's nothing left to say,
(Hush, hush, hush, hush)
I've already spoken, our love is broken,
Baby, hush, hush.

Yeahhhh Ohhh Ohhh Ohhh
(Hush, hush, hush, hush)
I've already spoken, our love is broken,
Baby..
