In the morning  
When I wake up now  
You know how feel right now  
I'm sick of you I won't talk to you  
I'm sick of you I won't talk to you  
When I leave home  
I feel like crawling back to bed  
Sometimes I feel like you don't know what I said  
I'm sick of you I won't talk to you

I'm sick of you I won't talk to you  
When you move on  
It feels like a sad song  
Don't ever look back  
Don't ever look back  
I'm sick of you I won't talk to you  
I'm so sick of you  
I won't talk to you  
Yea!!!!!!
