[Verse 1]

Bae-bay! Baby!
I'm right where I wanna be.
Bae-bay! Baby!
Don't let love make a fool of me!

Hey, I really want it.
Hey, I really need it.
Oh, my body just won't lie.
Yeah, I can feel it.
When you tried to kill it.
Oh, but it just won't die!

[Hook]

Who knew that one to the head,
and then one more to the heart
would make me feel alright?
Oh, won't you come set me free,
put me out my misery.
To make me feel alright!
Alright!

[Chrous]

Love Gun,
Oh, you shot me baby!
Love Gun,
Oh, you got me baby!
Ohhhhhh!

[Verse 2]

Bae-bay! Baby!
Are you ready for the showdown?
Bae-bay! Baby!
Oh, tonight it's gonna go down!

Ain't no use in running,
Ain't no use in hiding.

I'm wanted dead or alive!
Because my heart must choose to surrender.
Will you love me tender?
Or will you let me survive.

[Hook]

Who knew that one to the head,
and then one more to the heart
would make me feel alright?
Oh, won't you come set me free,
put me out my misery.
To make me feel alright!
Alright!

[Chrous]

Love Gun,
Oh, you shot me baby!
Love Gun,
Oh, you got me baby!
Ohhhhhh!

[Bridge]

He's a hunter, now I see.
Wonder how long he's been watching me.
Doesn't miss one, he takes aim.
Cock back the hand and bang!

[Chrous]

Love Gun,
Oh, you shot me baby!
Love Gun,
Oh, you got me baby!
Ohhhhhh!
