Melody Thornton:

Hope tonight i am dreaming about a thought  
it ain't right hanging over my head tainted love  
How could it be that all the love was in and out  
Oh tonight gonna be about no giving up  
Just like a wild horse my love is strong  
i will be willing to fight for that love to carry on  
Just like a Phoenix living my nest I will be willing to drop  
out in my own defense  
That's why you are my sweet vendetta  
Stab me in the back you are my sweet vendetta  
And remove my heart the hard way you are my sweet  
vendetta  
That's why I am never letting go you are my sweet  
vendetta  
I am coming for you If you don't get too lovable

There is a line if they have seen us growing ..  
When the love the love end the hate begins

Believe it baby  
i will be willing to fight for that love to carry on  
Just like a Phoenix living my nest I will be willing to drop  
out in my own defense  
That's why you are my sweet vendetta  
Stab me in the back you are my sweet vendetta  
And remove my heart the hard way you are my sweet  
vendetta  
That's why I am never letting go you are my sweet  
vendetta  
I am coming for you If you don't get too lovable

Uuuu  
No more coming for you  
Coming for you  
Got the liver .. the heart  
Stab me in the back you are my sweet vendetta  
And remove my heart the hard way you are my sweet  
vendetta  
That's why I am never letting go you are my sweet  
vendetta  
I am coming for you If you don't get too lovable
