Visit "[Peacock Dance](#)" on MotoLyrics.com

We'll stop in Babylon
You'll pull your stockings on
I'll wash your shoulders clean

Your eyes move with the spin
Of girls and boys women and men
I'll do a peacock dance

You won't be understood
I won't be all that good
We'll sing your favorite song

We'll live where foxes run
We'll wait for the morning sun
You'll walk on virgin snow

My head holds in the noise
Of girls and men women and boys
You make a peacock sound

My tears don't mean a thing
Your tears, beautiful thing
We'll stop in Babylon
